

**Join us to demand the government:
CANCEL RENTAL DEBT
STOP EVICTIONS
EXTEND RENTAL
PROTECTIONS**

**SUN 28 MARCH 12PM
STATE PARLIAMENT**

March 29 marks the end of the eviction moratorium in Victoria. Large numbers of renters will be at risk of eviction. The housing crisis is a choice made by the government. Andrews will deliberately make thousands of renters homeless. If he could stop evictions before, he can do it again.
