

Join us to demand the government:
CANCEL RENTAL DEBT
STOP EVICTIONS
EXTEND RENTAL
PROTECTIONS

SUN 28 MARCH 12PM
STATE PARLIAMENT

March 29 marks the end of the eviction moratorium in Victoria. Large numbers of renters will be at risk of eviction. The housing crisis is a choice made by the government. Andrews will deliberately make thousands of renters homeless. If he could stop evictions before, he can do it again.
